STATEMENT OF OBJECTS AND REASONS

The Futwah-Islampur Light Railway Line takes off from Futwah station on the Patna-Mokamah Main Line and ends at Islampur. It is owned and managed by the Futwah-Islampur Light Railway Company Limited. It is a narrow-gauge line of 43.45 Km. length. The track and rolling stock of the said line is in a dilapidated condition without replacement of the rails, locomotives, coaches and wagons, for a number of years. The heavy floods during the years 1976 and 1978 caused further damage to the track and rolling stock of the aforesaid line and the said Company has not undertaken any replacement of the same so far. In the present condition of track and rolling stock, the running of trains on the aforesaid line is considered to be a potential safety hazard. Further, the Central Government is also incurring huge losses on the working of this line without any corresponding benefit to the public. It is, therefore, proposed to acquire, in the public interest, the undertakings of Futwah-Islampur Light Railway Company Limited in relation Futwah-Islampur Light Railway Line.

2. The Bill seeks to achieve the above objective.

Any amount due from the said Company to the Central Government and the State Bank of Travancore is, however, deductible out of the said aggregate amount under sub-clause (2) of clause 6.

- 2. Clause 7 provides for payment of simple interest at the rate of four per cent per annum on the amounts specified in sub-clause (1) of clause 6, reduced by the amounts due to the Central Government and the State Bank of Travancore, for the period commencing on the appointed day and ending on the date on which payment of such amount, as so reduced, is made by the Central Government. However, payment of interest will not be involved from the date of tendering the amount, as so reduced, to the Company if the amount so tendered is not accepted by it.
- 3. The Bill, if enacted, is not likely to involve any other recurring or non-recurring expenditure.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Sub-clause (1) of clause 17 of the Bill empowers the Central Government to make rules to carry out the provisions of the Bill. Sub-clause (2) of that clause enumerates the matters in regard to which the rules may be made.

2. The matters in respect of which rules may be made are matters of procedure or administrative detail. The delegation of legislative power is, therefore, of a normal character.
